### August Elk of the Month -

Elaine Jenanyan

**Elaine Jenanyan** is my choice for August Elk of the Month. She has been the force behind the Treats for Troops for many years. Her passion for the collection and shipping of goodies to our troops overseas has been unwavering. She also sells tickets in the lobby at all brunches and Thursday meetings. When the Girl Scouts have use of the Lodge, it is Elaine who represents the Lodge for their events. You'll see Elaine working twice a month during the SIRS luncheons scraping plates or helping the kitchen by serving at outside events. Thank you, Elaine, for your wonderful service to our Lodge. You are a great example of how an involved member participates in our Lodge.

***Rhonda Rogers***

Hi all,

We need more volunteers to keep our Lodge working smoothly for you and for the purpose of this organization, which is to support and aid children with disabilities and our veterans.

The Monday morning work crew needs at least four volunteers to do repairs to lights, plumbing, carpenter projects, etc. around the Lodge. Please contact Manny Martinez at 925-286-1012 cell.

Anita Miller is looking for two couples to help with selling tickets at the ticket table during Taco Tuesdays. Those teams, in addition to those already donating their time, will be scheduled about once a month to sell tickets to events. Please call Anita at 530-888-7744.

The dead oak tree in our parking lot has been felled. Any rounds left are free for the taking.

Our own Paula Celick and Chaplain Larry LaVerne got help from Lodge Esquire Chuck Cooper to put the Wreaths Across America float in the Auburn 4<sup>th</sup> of July Parade.

The Jeweling ceremony for our new District Deputy Larry Rogers will be held in Susanville on Saturday, August 5th at the Susanville Lodge at 5 pm. All are welcome to attend.

## From the Secretary

**Bob Oles**

When we have new members joining the Lodge make sure to go and introduce yourself and welcome them to the Lodge. Also, it will be a big help to ask them if they have been to the Lodge Secretary to be signed in.

Lodge Chairmen, data collection survey forms for gathering statistics for the Lodge's Annual Charity report need to be submitted right after an event and given ether to the Government Relations Chairperson, Exalted Ruler, or the Secretary so that information can be sent to Grand Lodge and our Lodge recognized for its charitable activities for 2017-2018. For your info, a few of the programs that need to be reported on are Scholarships, Scouting, Youth Athletic programs, School programs, Major Project, Patriotic programs, Veterans Service events, Community donations, Blood Banks, Lodge Facilities donated, Food Baskets and Public Service Citizens recognition. This should give you an idea what to report on and forms are in the office.

If you have a change of address or need to order a name badge, we have order forms in the office or at the bar. Please remember to print legibly so that the correct information gets to the Secretary.

Wil Thomas is now assisting with minute recording and with management of the electronic key cards. Remember, if you lose your key card, there is a \$10 charge to replace it.

Please check elsewhere in this bulletin for a list of the pending applications for membership. We all have a lot of work to do to bring our membership back up to cover for the loss of members which is a result of deaths, transfers out, and those members who chose not to continue to be Elks.

As always, if you want to reach me please email [rfoles@sbcglobal.net](mailto:rfoles@sbcglobal.net) or phone 916.798.6591

## *From the Trustees Table by Royce Birks*

One of the main topics of conversation in our Auburn Lodge 1691 is the need to expand and create a newer, larger and more modern environment that will attract new and younger members and their families.

We are fortunate that our Lodge is on a very desirable piece of land that has served us well. At last count, we have approximately 780 members that with few exceptions have been with us for many years, for which we are extremely grateful, however, perhaps with a lot of work and imagination we can create a Lodge that is not only a perfect place for meetings, meals and drinks we can offer a swimming pool with decks for Bar-B-Ques, a RV area for maybe 10 or 12 RVs which will provide an income in rent in a quiet and restful setting.

The property we have is extremely valuable, with the Lodge, large parking area and rentals that are highly viable from Hwy 49 and I-80, centrally located in Auburn, we are a desirable asset to any major hotel in the state.

We would start by getting a formal appraisal from a qualified agency and see what "we are worth". It's a starting point. Next, get a panel of interested Elks to choose several sites we would potentially invest in and move on from there.

I know we have tried this before and it failed but, that was then, now is now.

I want you to think about the possibilities and get involved-We need people who are genuinely interested in this and who would like to see our Lodge expand and prosper.

We need to grow, we deserve a larger venue and a greater membership. What will our legacy be? We need to "Dare to be Great".

## Lodge of Sorrow

**Joe Milkes** passed away June 21st from injuries suffered after he was hit by a vehicle in our parking lot. He never regained consciousness after the accident. Here's a reminder that cars and pedestrians can be a dangerous mix. Even in what appears to be a benign setting such as our parking lot.

**Harvey Lundershausen** passed on July 9, 2017. He was born July 5, 1943. It was reported that he was a charter member of his original Lodge and transferred into our Lodge at the beginning of 2010 after moving to Auburn.

**David Brazil** passed away June 23. He was our Lodge Treasurer for quite a few years.

**Bob Seymour** passed on July 4<sup>th</sup>. He was a member of our Lodge since the beginning of 2006.

**Thomas Stone** passed away last December 9<sup>th</sup>, 2016. He became an Elk in 2007 and transferred to our Lodge in 2008.

## Sickness and Distress

Ivan Ichtors doctors have confirmed that he has terminal cancer. The cancer in his liver has metastasized and he has only six to eight weeks to live.

Bill Welch has been fighting Cardiovascular and respiratory issues for many years. These problems have resulted in a number of emergency trips to, and stays in the hospital. On June 13<sup>th</sup>, his cardiologist inserted a pacemaker. Bill reports that so far things are looking encouraging.

George Williams spent a few days in the hospital battling pneumonia, which he overcame.

Bob Dayton had a stroke and spent a week in the hospital and then two weeks in rehab. He is currently home and recovering.

Ted Carousel, a past member who now lives in the Sonoran Desert, has sent word that his wife Leslie had shoulder replacement surgery on June 27 and was released from the hospital the next day. She's recuperating at home and doing well. During a routine physical, the doctor heard an abnormal heartbeat in Ted and he underwent angiogram procedure earlier last month. Results were a clean bill of health from his cardiologist.

Larry Laverne had tendon surgery in his right hand on July 11th.

**Please remember that sickness and distress is always in order. Also, I can only report what is reported to me. So please send any information regarding the health of our members to me. Thank you for your help.**

## CRYING CORNER

It pays to attend Lodge. Lodge meetings are held on the 2<sup>nd</sup> and 4<sup>th</sup> Thursday of the month except November and December - 2nd Thursday only. Dinner is at 6:30 p.m. and the meeting starts at 7:30 p.m.

At the Lodge meeting on June 22, 2017, \$300 major jackpot was lost due to their absence by Darrell Davis and John Pratt and losing \$1.00 was Brett Jordon. At the Lodge meeting on July 13, 2017, \$300 major jackpot was lost due to their absence by Gary Rose and Greg Brazier and losing \$1.00 was Stephen Meade.

**Leading Knight - Kathy Madeiros,**

Hi Everyone,

We have a lot going on in the upcoming months so get out your purple calendars to support your Lodge by attending events. Bob sends out daily emails to also let the membership know what is happening. If you are not getting them please let either myself or Bob Oles your email address and we will make sure that you are added.

The Monday Work Crew is in dire need of some help. These wonderful people take care of general housekeeping issues that crop at the Lodge from time to time. They work very hard to make the Lodge a clean and safe environment for all the membership. Even if you have just one Monday a month to help it would be very appreciated. Please contact myself or PER Manny Martinez. This is your Lodge, my Lodge, our Lodge.

I am going to share with you a poem that I have over my desk and I try really hard to live within its meaning.

"Promise Yourself" To be so strong that nothing can disturb your peace of mind. To talk health, happiness, and prosperity to every person you meet. To make all your friends feel that there is something in the them. To look at the sunny side of everything and make your optimism come true. To think only of the best, to work only for the best, and expect only the best. To be just as enthusiastic about the success of others as you are about your own. To forget the mistakes of the past and press on to the great achievements of the future. To wear a cheerful countenance at all times and give every living creature you meet a smile. To give so much time to the improvement of yourself that you have no time to criticize others. To be too large to worry, to noble for anger, too strong for fear, and very happy to permit the presence of trouble. "Author Unknown"

See you around town,

## CHAPLAIN'S CORNER†

Laughter! Smiling! All human traits. Scientist tell us that laughter releases "Good" hormones into our system. I would think that "Smiling" would also have some beneficial effects. When was the last time you had a really good belly laugh? One that brought tears to your eyes. Or how about a very sincere smile while chatting with a good friend? While riding in the 4th of July parade, I saw so many folks with great big smiles on their faces. Go out and see if you can do something to make a friend smile. I bet that if they are smiling, you are to!

*The more man meditates upon good thoughts, the better will be his world and the world at large. Confucius*

Dear Lord,  
Teach me to smile when I'm facing a bad day. How easy it is to be happy when everything seems to be in my favor. When things are going wrong, help me remember those friends that bring laughter and smiles to cheer me up. Guide me in a way that I can create a cheerful place for those in need of a sincere smile. Help me to remember all the gifts you provide so that a smile lights my face. Amen

## Veteran's Corner

August, what a hot month. Ya' old Vet, go soak yourself in a cool pool and have an ice cold beer at the same time. We'll get through the month together. With that said, I trust that your summer is rolling along nicely.

A gentleman came to our Lodge very recently (on a Taco Tuesday) and shared the following information with an Officer who was then asked to relay that info to me. His father was an Elk. This man will make available (for free) a Jazzy Sport 2 Scooter made by Mobility Product Corporation. It is like new and was used less than one year. This scooter is primarily for a person who is physically challenged. It is motorized with a right-hand control. It has been requested that we provide this scooter to a Veteran as that was the wish of this gentleman's father who had used it. If you know of a Veteran who needs a mobile device such as this, please contact me as soon as possible. All it needs is two new batteries to be fully functional.

How many of you have signed up to take advantage of the military exchange facilities via the internet? Refer to last month's Bulletin for info regarding non-retired (from Military service) Veterans. There are a lot of us in that category in this Lodge. Remember, you must call 1-844-868-8672 to sign up or go online to do so.

Many of you who have joined this Lodge recently have not been back. A large group of you are Veterans who expressed an interest in Supporting Veterans activities. And, many of you are non-vets who made that same offering. Please make a return trip to our Lodge and provide me with your name, e-mail, and phone number. We have a few events each year where I will need some support to make those activities happen. That info should have been requested of you during your Orientation, but it just doesn't happen. I welcome you to our Lodge, but I need you to take one more step forward and contact me. At the bottom of my article you will find the info you need to make that contact. I would appreciate your helping me and our Lodge. Just as you were informed on the evening you were initiated, the more you put into this Lodge, the more you will get out of it. Guaranteed!

Remember, Treats for Troops is always looking for donations of product and money to sustain that activity. Do you know of a serviceman or woman serving in harm's way? If so, please share that name and military address with Elaine Jenanyan so that she can send this person a goody package from home. Military personnel really do appreciate what we send to them.

Don't forget Wreaths across America and our Veteran's pictures display in November. I know that I mention these almost monthly, and that is because they are important to our Veterans.

The conflicts in the Middle East are far from over. Please keep our service men and women fighting in harm's way in your nightly prayers. Their support system is their family back home here in America. Keep those people in your prayers as well.

Until we meet again, stay healthy, safe, and happy with God's protection. God Bless America.

## Building Hall Corp. 1 Quarterly Report 2017

As you have probably noticed the large oak tree in our gravel parking lot was removed. Unfortunately, over the Winter it died and for safety of our members it was taken down. Thanks to the fellow member, Larry Jordan, his tree removal equipment, and Larry's employee Gary. Also thanks to Lodge members Tim Kent, Rick Johnson, Dempsey Billey, Larry Tiemann, Gene Henggeler, and John Rodrigues.

In the fall of this year BHC plans to plant additional trees along Pine Street.

BHC is working with an engineering firm to finalize plans for lot line adjustments. This project has been coming on for several years but looks to be complete very soon.

Many of our rentals are in desperate need of miscellaneous repairs & dry rot. This project will be going on over the next few months and is estimated to cost about \$10,000.

A project that was suggested by Denny Bauer is in its study phase. This will improve the acoustics which should absorb a large percentage of noise in the room. It is hoped the BHC can then work on the sound system throughout the Lodge.

A 5-year plan to improve rentals, parking areas, and the Lodge was approved by the Directors of BHC.

BHC President  
Manny Martinez

In 1884, fifteen years after the Benevolent and Protective Order of Elks was formed in New York City, a group of seventeen men met in the Old Music Hall in the village of Marion to organize the second Lodge of Elks in Ohio, and the first Lodge outside of a metropolitan city. On March 3, 1885, Marion Lodge No. 32 was instituted by Cincinnati Lodge No. 5, with thirty-three charter members. The first meetings were held in the Hotel Marion Block on Center Street. Dues were \$4 per year.

Laying the cornerstone at Long Beach's famous UFO-shaped Elks Lodge, now demolished.
