SEPTEMBER BIRTHDAY DINNER

It's pre-season time, FOOTBALL FEVER is almost here, get ready for some exciting games and lots of action. Start the season off by attending the SEPTEMBER Birthday Dinner hosted by Sharon & Phil Bettencourt. Enjoy another great meal by Chef Scott to include Western Chicken and Pulled Pork...be sure to wear your favorite team colors and support your team, whether it be high school, college or pros.

OKTOBERFEST will be celebrated at the OCTOBER Birthday Dinner with Sauerbraten, Braised Brats, Sausages and all the trimmings. Looking forward to a fun evening hosted by Jack and Linda Meylink. Get your tickets early for the October Birthday Dinner, they will go on sale Taco Tuesday, September 4, 2018 from 4:30 pm to 6:00 pm.

If you are interested in being a part of the Birthday Dinner team, please contact Bob Espinosa, we can always use your help. February (Mardi Gras) and March (St. Patrick's Day) still need a host.

If you are a member with a birthday in October, you will receive an invitation which includes a dinner voucher and a free drink ticket. Take your voucher to the Lodge and exchange it for a ticket PRIOR to the night of the Birthday Dinner. You then select a table and seat from the seating chart. Tickets can also be purchased for spouse and guests. Please remember that reservations are required, and selected seating comes first. It is important that we get an accurate count for the evening meal.

Looking forward to seeing you at the Birthday Dinners.

After filling a page with last month's article on the ELKS National Convention I'll try to keep it a little shorter this month and focus on Our Lodge. The Auburn Elks Lodge needs your help. This probably isn't news as we are quite often asking for donations for one cause or another and asking for volunteers for various committees and events. However, I am asking you to do something that should be easy and enjoyable. That is, come to the Lodge and enjoy a meal. At Auburn Lodge, we are very fortunate to have an excellent chef and staff preparing our meals. Most lodges run their kitchens with volunteers. The only way we can continue to operate the way we do is if we get good participation from our members at our breakfast, lunches, dinners and special events. We usually do, but last month's Cook your own Steak night was very slow, our last Sunday Brunch was on the low side, and a few of the past Taco Tuesdays have been slow as well. Come to your Lodge and have a meal and when we have a special dance or event join us for that as well

One of the best-kept secrets (although it is not meant to be) is the dinner that we have on Lodge Meeting night - the 2nd and 4th Thursdays of each month. Scott and his staff prepare a great meal and the cost is only \$10.00. The cost is low because we would like to encourage you to come to the meetings, but I'll go out on a limb here and tell you that if you come for dinner and then leave when the meeting starts I won't be offended. Of course, I want you to stay for the meeting, but we currently lose money on these meeting night dinners. Another 20 or so people could make this a profitable endeavor. Check it out.

In Summary: The second Sunday of each month we have the best breakfast in town, the second to the last Friday of the month is cook your own steak night, the last Friday is Pizza and Spaghetti, the first Friday is our Birthday dinner and you don't have to get older to attend, every Tuesday is Taco Tuesday, every Wednesday is Lunch and Games at the Lodge, and the 2nd and 4th Thursdays are Lodge Meeting night (and dinner). Wow, you may never have to cook again.

Remember, we can keep prices low if enough people are attending.

And since I mention keeping prices low one thing we can all do is bus our own tables. If we all did this, we could reduce our spending on hired help and make the lives of our volunteers so much easier. Please take your plates, silverware, glasses, and trash to one of the two busing stations that we always have set up. This is your Lodge, keep it clean.

Two more quick items:

- Thank you to all that contributed to the ER travel fund for the National Convention. Your donations were very generous and most appreciated.

- Linda and I were able to join the ELKS RV club at Clio for the first time in July. This is a great group of ELKS. We felt very welcome and very much enjoyed the weekend. They were even nice enough to let us win a couple of the BINGO jackpots.

Hope to see you at the Lodge,
Jack

From the Secretary

Bob Oles

Elks Care! I recently learned that my 2 great Grand Daughters, who attend Tiny Tots Preschool, were screened by the California-Hawaii Elks Major Project Preschool Vision Screening therapist. The Elks Preschool Vision Screening Program screens between 45,000 to 50,000 children each year. It is the goal of the program to significantly decrease the number of children at risk, and it is with thanks to this highly effective program that thousands of children have been saved from permanent eye damage over the years. This would not be possible without donations to the Piggy Bank Program. Remember your donations to the Piggy Bank Program help the children walk, talk, see and play.

The City of Auburn Planning & Public Works Dept. has given the Auburn Building Hall Company, Incorporated, a certificate of compliance for lot line adjustment. I know that this has been tried for several years. Brother Wil Thomas took it up and got it done in about 4 months. Remember to keep Brother Wil in your thoughts and prayers to help him get over his illness.

If you have a change of address or need to order a name badge, we have order forms in the office or at the bar. Please remember to print legibly so that the correct information gets to the Secretary and if you lose your key card or badge there is a \$10 charge to replace it.

As always, if you want to reach me please email rfoles@sbcglobal.net or phone 916.798.6591.

The dog days of summer have arrived! Fall equinox arrives September 22nd, shorter days and hopefully cooler nights. That said we are likely experiencing a warm and dangerous path to fall, be safe at home and catch as many of the 14 dining opportunities at the Lodge this month. Included in the 14 is the last Cook Your Own Steak Night of the season, attendance has been a little down overall, perhaps to HOT weather and rising beef prices, this popular event is a proven money maker owing to almost all volunteer help. Let's make the end of season event the biggest and best this year, see you there.

While on the dining/club topic, just a reminder we are so very blessed to be one of the very few lodges in the state if not the nation to enjoy the benefits of a full-time Manager and a Chef. Our catering efforts support our Lodge Financially, Fraternally, and Socially. Our management and kitchen staff with assistance from the house committee, closely monitor income vs expense to assure we are doing the very best we can to provide social events that are profitable. We can all help! Many of events have all volunteer table service and clearing, try to assist if you can where physically possible. The tip of the month, please no paper products in beverage glasses and dishes, by personal experience it is the yuckiest volunteer or paid job in the bar or kitchen. Finally, on this subject thank you all for your continued support of the dining/club and social events, all we do together enhances our Elks experience.

The Leading Knight's/Piggy Band Chair memory month continues, I would like you all to remember your Purple Pig, fill it, bring to the Lodge, exchange for an empty brand new model which by the way and like the Springsteen song is Born in the USA, repeat as many times as possible for this Lodge year, another means to contribute is via the CHEA website <https://chea-elks.org/> look for the Purple Pig logo on the left-hand side, click donation, with a debit/credit card your name, Lodge & membership number, the easy way. Again, thanks for all you have done and all you will do. To remember your Piggy Bank is to remember the children and families our Major Project supports. Continuing Charity items the Motto of this station don't forget ENF the foundation of all Elks charitable causes. Honestly, I'm not sure of this year per capita goal but I can assure you we a significantly short to date this year.

Finally, enjoy summers end be safe and join us at the Lodge when you can. Questions or comments call 530-906-4765 or email Harlan@hemoore.com

Harlan

Elk of the Month

Elk of the Month – Cal Bisson

My selection of Elk of the Month for September is Cal Bisson. Cal has been working very hard this past month to keep the Lodge cool. He has gone above and beyond the call of duty by crawling around in our very hot attic to wire and connect thermostats to ventilation fans that help to exhaust hot air from the attic. You may have noticed that at times in this very hot summer our air conditioning has struggled to keep up with the demands we place on it. We found that the exhaust fans in the attic were not functioning correctly. Cal insured they were connected correctly and then installed and connected thermostats that shut the fans off when the temperature in the attic cools to a reasonable level. By exhausting the hot air from the attic our air conditioning units are better able to keep up with the demand on hot summer days. You can find Cal at the Lodge most Monday mornings working with the Monday work crew that makes repairs and does extra cleaning for our Lodge. Cal specializes in electrical repairs and installations. If we need a new switch or light fixture or if an outlet or appliance needs repair Cal is our guy that takes care of these things.

For his ongoing efforts that have saved the Lodge many dollars we would have to spend hiring an electrician, and especially for braving the heat of the attic this past month, I believe that Cal Bisson should be Elk of the Month for September.

Lodge Cleanup Reminder

Please remember Lodge Cleanup the 1st Wednesday each month at 9:00 am. The next one is on September 5th.

In August, we did some general clean up inside-outside, vacuumed carpets, cleaned doors and windows inside and out, cleaned and dusted bar area, cleaned downstairs, cleaned lobby, cleaned meeting room downstairs, cleaned shuffleboard room, cleaned kitchen, cleaned floor drains, cleaned coffee area, cleaned popcorn machine, margarita machine, nacho machine, dusted blinds, cleaned and filled salt & pepper shakers, cleaned around dumpster & front door, sprayed weeds and much, much more.

The Lodge would like to thank the members that worked in July. PER Dick Robart, PER/ BHC Pres. Manny Martinez, ER Jack Meylink, Trustee/BHC Dir. Warren Manley, Tom Eastman, Mike Van Hook, Bill McPeak, Henry Tukloff, Rudy Pelzman, Cedric O'Hern, Gary Dusky, Joann Dusky, Harvey Eisley, Remy Giannini, Ed Rodriguez, Jesse Thompson, Tim Kent, Cam Whitty and Pete Biersteker. Turnout was a little better, BUT we could always use more help. Please come out and give us a hand next time.

RV Club News – Clio Rally

The RV Club held its July Rally at Clio. The rally was headed up by Randy and Regina Bauer as trail bosses and Denny and Elsie Bauer as wranglers.

Thursday, we enjoyed a social hour followed by a meal of hamburgers, hot dogs, and fixings. Friday was a day on our own. Some played golf, some kayaked and some just relaxed. Saturday, we enjoyed a great meal of tri-tip, BBQ chicken, and side dishes. After dinner, there were announcements of the golf tournament followed by Bingo. Sunday, we enjoyed a great breakfast of sausage, eggs, potatoes, biscuits and gravy, fruit, etc. along with Denny's Special Bloody Mary's. All prepared by Randy and Regina assisted by Denny and Elsie. Graeagle had a huge Crafts Faire on Saturday and Sunday which many of us attended.

A big thank you to our trail bosses Randy and Regina and wranglers Denny and Elsie for a great rally.

I was recently reminded, by my personal physician, that my health is mostly dependent upon the decisions I make. He said it was up to me to decide to lose weight, otherwise it just won't happen. I was hoping that I could find a good excuse, but he cut that idea off completely.

I wish you all Good Health and Long Life.

Summer is ending as we start to prepare for the fall and football meaning it must be September. Some of our Taco Teams need volunteers. If you would like to volunteer for a Taco Team your commitment is only a couple hour every 6 weeks. It also gives you an opportunity to meet and socialize with your fellow Elks members. This is a great way to meet your fellow members.

If you have not been receiving my emails and would like one, please email me at auburnelks@gmail.com and I will add you to my list.

Now for the business part, in September we start with our Western Night Birthday Dinner on September 7th featuring Western Chicken and Pulled Pork with followed by the Elk's All You Can Eat Pancake Breakfast from 9 am to 11:30 am featuring Jimmy's Omelet Bar and French Toast cooked to order on September 9th. Next, we have our Cook You Own Steak Dinner on Friday the 21st and we will be ending the month with our All You Can Eat Pizza and Spaghetti Dinner Friday, September 28th.

Remember every Tuesday is Taco Tuesday and every Wednesday we have the Elks Lunch Menu with Scotts Blue Plate Specials.

Veterans Corner

The kids are back in school and the last summer BBQ is finished. Now, we get ready for Fall and all the fun we can pack into that season before Winter hits. There's room for more BBQ's and family gatherings.

The Northeast District Reno VA hospital BBQ luncheon was held on Monday, August 6th. About 24 people from six of the eight Lodges were in attendance including four members from our Lodge.

Wreaths Across America is ramping up for this year. Wreaths are only \$15 each and will be placed on the grave of a Veteran buried at either the new or old cemetery here in Auburn in December. Please support our Lodge Veterans committee and purchase a wreath or two this year.

Treats for Troops is always looking for donations of food or money to continue with that program of sending troops in the Middle East packages filled with goodies from home, stuff they are not likely to see while stationed in the Middle East.

As you read this, know that November is only two months away. We celebrate our Veterans all month long. The annual luncheon takes place and we'll need some volunteers to help serve and assist our Veterans. Stay tuned.

As we conclude our warm and smoky summer, remember our military serving in harm's way. Keep them in your prayers. Thank a Veteran for his/her service. They all appreciate this heartfelt gesture. I know I do, now. Our serving Veterans families deserve a shout out as well as they daily miss their spouse, parent, etc. Pray for them all to return in good health. God Bless America.

Please continue to contact me by e-mail or telephone regarding your military status (Veteran) as our Lodge Secretary is compiling a roster of all our Veterans. Thank you to those who have already notified me.

Honor and Remember our Veterans at the New and Old Auburn Cemeteries with those wonderful Balsam wreaths.

This is just a reminder to pick up your order forms from the Lodge either at the bar or in the lobby. No need to wait until the last minute (Nov. 11th is 2018 deadline for ordering this year's wreaths.)

Last year the community came through in such a beautiful way and allowed us to lay 2,022 wreaths to remember our fallen Veterans.

Our goal for 2018 is to lay 2,400+ wreaths to pay homage to all those Veterans who have gone before us. You can help make this happen!

Thank you for your continued support of this program. I hope to hear from you very soon. Have a wonderful summer. Stay well and safe.

The regular August 09, 2018 Lodge meeting, we welcomed a new candidate who become a member. For the past couple of years, the wording in the Ritual allows Military Personal, Veterans, and First Responders to use the Military salute to the flag. I have always used the civilian salute. During the ritual I used the military salute and so did the new member and others. I don't know why I waited so long to do the military salute. It felt good and hopefully the new member did too. He snapped to attention and gave his military salute. I felt proud leaving the meeting that evening.

Greetings from Paula, Your Greeter

I really enjoyed being your Greeter for August. This was a great way for me to meet our members. I have a couple of requests that will make the Greeters job even more fun. Here they are:

1. Your Greeter probably won't know every member by sight and may have to ask, "are you a member", or "do you have any guests with you?" Please do not be offended by this, it's just part of the job.
2. Wear your name tag so that you will stand out from the maddening crowd!
3. Members MUST sign in their guests with the Greeter. Guests cannot sign themselves in.
4. Please use your Door Key Card to open the door. If you are unable to open the door with your Key Card, then the Greeter will need to see your Membership Card for admission.
5. Have you signed your Elks Membership card? If not, do that now. Yes, it is important.
6. And most importantly, have a smile and have fun while here in the Elks Lodge.

Thank You for helping make the job as Greeter a bright spot in my day.

Paula Celick, August Greeter

Canine Companions

On July 31st, PER Rhonda Rogers, ER Jack Meylink, and Grant writer Carol Van Ness, drove to the Canine Companions facility in Santa Rosa to present them with a grant check for \$2000.00 for their work on their veteran program. The three Elks were given a comprehensive tour of the facility including the breeding area, veterinary support and feeding, puppy training and a demonstration of the advanced training that is given to dogs who will eventually be paired with veterans. Canine Companions staff has tailor-made a training program for dogs who provide support and comfort to veterans with PTSD. The Canine Companions already provide trained dogs to physically disabled of the public as well as veterans, but this new program, using dogs trained by a veteran named Chelsey, is now focusing on those soldiers who have come back from their military commitment with difficulties in handling everyday life. It is truly a worthwhile organization and one which we hope the Elks will continue to support financially with future grants.
