#### COVID-19 Update

**The Auburn Elks Lodge is closed until further notice.**

The Auburn Elks Lodge's highest priority is the health and well-being of our members, volunteers, guests, and staff. We continue to closely monitor and evaluate developments of the coronavirus (COVID-19) and follow guidance from the Centers for Disease Control (CDC) and local health and government authorities.

We have postponed the PER Chicken Dinner, ER Roast, and Inaugural Ball until a future date. Please hold on to your tickets, and they will be honored on the new date. We have canceled The March Pizza Night and the April Birthday Dinner, the Friday Fish Fry, and the Elk's Easter Brunch. If you have an April birthday dinner ticket or an April Birthday Dinner Coupon, we will exchange for a May Birthday dinner once we open. There will be no Taco Tuesdays or Wednesday Lunches until further notice. The April Wednesday clean-up has been canceled.

## From the Station of the Exalted Ruler – Bill Chelonis

Well, the time has come for me to step up to the plate again as Exalted Ruler. We are going through many concerns as this virus is affecting all of our friends and neighbors. As Elks, we need to consider others around us as well as ourselves. I am so sorry that this year is starting so poorly. I wish I could do something to relieve this, only to say we will get through this together. I have many events planned for this year and hope that they will come true. If not, we are in this situation together and pray we can overcome.

I know many functions have been postponed or canceled. Please bear in mind the lodge tries to give you events and functions for your enjoyment. But with this virus going around, we need to consider each other and get through this crisis. None of us want to get it. We hope the PER chicken dinner and the ER Roast are rescheduled. I don't know if anyone really wants to roast Harlan Moore, our new Secretary, but I have a lot of stories on him when he was Exalted Ruler.

My theme for the year is "Live the Dream, Become an Elk in the Community". I hope all of you will consider this and help make new members in our Community.

Finally, my swan song will and always will be: Frank Sinatra singing – My Way..... I hope all of you have a great year and have it "your way".

I guess I need to state who the Elk of the Month is. As for the April Elk of the Month, it falls on our new State Vice President and PER Manny Martinez. Thank you, Manny.

## Lodge Secretary – Harlan Moore

April has arrived riding a wave of uncertainty! As of this St. Patrick's writing, our Lodge has been closed since Friday, March 13th, and still do not have a firm date when we will next meet. The uncertainty is, of course, due to the worldwide Coronavirus Covid-19 pandemic. No need to attempt an explanation to speculate on our next few weeks as the rules and measures are fluid and changing daily.

On our last meeting on March 12<sup>th</sup> - Old Timers Night. We presented service pins to 8 of 38 Old Timers present. Ron Harris for 55 years, Walt Drysdale & Ron LeDoux 45 years, Oscar Thompson 40 years, Bill Hopper, Jim Jordan, & Jon Loberg 25 years, and Harry Bedell 20 years. We will make every effort that the remaining 30 receive their pins as soon as possible.

As of this report, I may still be your outgoing ER and Secretary-Elect, and we will do our best to schedule our next meeting, including the installation of officers for the 2020-2021 Lodge year. As Secretary-Elect, I face a significant learning curve. Fortunately, retiring Bob Oles with assistance from Murriel, Elly Brown-Silva, and Jimmy Mullenix, are all working very hard to assure mailing and receipt of dues for the 2020-2021 Lodge year are progressing on schedule. Your prompt response is very much appreciated, as many of our financial requirements are dependent upon dues received by April 1st.

The primary reason has roots in our obligation as ELKS, that admittance to our Lodge and any other Lodge is dependent upon presenting a current membership card. The secondary reason is equally important. The California ABC issues our club/bar license for members and their guests only. That requirement is not optional. If you received your statement, please return with payment as soon as possible. If you have not received a statement, please stop by or call the office to receive a replacement. We are never at 100% renewal on April 1st, for a variety of valid reasons, travel, health, address changes, etc. Options are available. Bring your statement with payment to the first event you attend. Credit/debit cards, or cash payments, are always accepted at the bar.

In support of the primary and secondary rules above, we enforce a locked door policy for almost all Lodge events, admittance made possible with your card key. The card keys are not disabled April 1st, a grace period to allow for some of the exceptions above and eliminate the duplicate labor (volunteer) of disabling and enabling of cards. Year-round, but especially early in the Lodge year, we utilize Greeters to assist with compliance with the closed-door policy. Please assist our volunteer Greeters. Use your card key for admittance, present your membership card, and for some extra help, wear your badge. Early on I plan to do some greeting personally, (1) I will use my card, (2) display my membership card, & (3) wear my badge, please join me with 1 & 3 and if we haven't met introduce yourself.

Hopefully, this message will be received with clarity and better news when you all read this, be careful and stay safe, and you all receive this limited information in good health.

I have an "open door" policy. If ever you would like to talk, I will make time for you. I am usually at the Elks Lodge (when it's open) several times each week. Or you can text me 530-210-7465, and we'll set up a time to talk.

Take care and be healthy.

Tickets can be purchased for spouses and guests. Please remember that reservations are required, and selected seating comes first.

Tickets for the birthday dinners go on sale starting the previous month on Taco Tuesdays from 4:30 to – 6:00 pm.

Hope to see you at the Birthday Dinners.

## Lodge Manager

### Bob's Message – Lodge Manager

We say goodbye to March and our PER Harlan and welcome our new ER Bill Chelonis and wish him the best as he starts his term. I want to thank all the volunteers who have stepped up and helped in the kitchen, dining areas, and maintenance of the Lodge this past Elks Year, and hope that you continue for the next year.

Effective April 1, 2020, we are raising the prices for the Elks Pancake Breakfast, Pizza Night, and Birthday Dinners. We have worked hard the past four years to maintain our prices, but the rising costs have finally caught up to us, so we need to raise the prices. We are also discontinuing the free drink tokens for volunteers; however, we will still provide a free meal.

Now for the business part. Unfortunately, due to the Covid-19 virus, most of our scheduled events for April have either been postponed or canceled.

Bob DiMiceli  
Lodge Manager

# Veterans Corner

Okay, here we are entering our first month of the new Elk Year, April. Everything begins anew. Unfortunately, our Lodge closed starting March 12 until further notice. As I am writing this article on March 13, I have no information to share with ya'll. Just know that the Lodge and all its related activities will resume at the earliest and safest date possible. I trust that will have already occurred before you receive this Bulletin. Stay safe and clean everything, especially your hands.

Did you know that on April 6, 1917, the United States entered World War 1? The occupation of Japan ended on April 28, 1952. U.S. forces invaded Cambodia on April 29, 1970. These are just a few tidbits of our American history that took place in the month of April.

Monday, May 13, 2020, we will be making our annual sojourn to the V.A. hospital in Reno, NV., for our BBQ luncheon. We will meet at 8 am at the Auburn Elks Lodge and carpool, if possible, and then head to Reno. As always, I will transport all the food and beverages in my truck. If possible, there will be a reserved parking space available for me to unload all the food, etc. We usually arrive at the Reno V.A. hospital around 10 am and immediately set up for the luncheon. Lunch is served at about 11:30 am. First, we serve all the patients, then staff, and lastly, us, finishing a bit before 1 pm, and then we commence the cleanup process.

Usually, we're done and heading back to Auburn before 2 pm, arriving about 4 pm back at the Lodge in Auburn. So, as you can see, it is about an 8-hour day filled with fun and excitement. We are tired, but it leaves us all with a good feeling. When we have some spare moments, during the time we're at the hospital, we walk the nearby halls and visit with the patients that are unable to come out of their rooms. They enjoy our visit. Should someone not want to visit, they will politely let you know. Just wish them well and ask if there is anything you can get for them. Just remember, it is always a pleasant and peaceful interaction that we have with all the patients. Just a note, I have never had a bad or unfortunate experience in that hospital. I will follow-up with some last-minute information in next month's article.

As I close this article, I am reminded of the frailty of man. Right now, we are in the midst of a health crisis all over the world. Maybe, by the time you receive this, it will have subsided and entered into our history books. Remember to take good care of yourself as you cannot help others when you are battling a significant illness. Pray for our military and their families. May God keep us all safe in his compassionate hands. God Bless America.

## California-Hawaii Elks Major Project (CHEMPI)

This year's state goal is 4 million dollars, how about our Lodge returning to \$20,000 plus status? Our annual Piggy Bank was the 2<sup>nd</sup> Lodge meeting in February and results are not available at press time. I've a feeling we are behind on our goal, so please remember we can count contributions received thru the May State Convention to this Lodge year.
