Elk of the Month

Elk of the Month – Our Volunteer Bartenders

My selection for Elk of the Month is more than one person. I know, it seems every ER at some point cops out and selects a group instead of an individual so add my name to the list because this month we have Elks of the month. These guys are all volunteers but are essential to our Lodge. The job they do makes just about all of us happy. They are present at every Elk function be it Taco Tuesday, Wednesday Lunch, Birthday Dinners, Pizza and Spaghetti night, Sunday Breakfast, Lodge meeting night, Special Events, and Private Parties. I'm talking about our Bartenders. These volunteers do their very best to serve us all, and yet we depend on them to keep track of us and not over serve. This can be a narrow path to follow, but our Bartenders do an excellent job of striking the right balance. Without them, we would be a thirsty lot, and if they did not do their job correctly, we could lose our license and still be a thirsty lot. So, when you order a drink this month thank your bartender not just for your drink but for keeping an eye on us and making sure we make it home safely.

Cheers to the guys behind the bar.

Exalted Ruler, Jack Meylink

From the Station of the Exalted Ruler – Jack Meylink

I'm hoping that more time visiting and volunteering with the Elks are on your list of New Year's Resolutions. Either way, we look forward to seeing you at the Lodge in 2019.

A quick update on our recent charitable efforts in the community. I am very pleased that the members attending our December 13th meeting supported my commitment and voted to match the funds that you donated for the Paradise Fire victims on the November 13th Taco Tuesday. With the total raised that night and, in the days, afterward along with the matching funds from our Charity Account, we will have sent a total of just over \$4600 to Paradise Lodge #2026 Fire Relief Fund. As I mentioned before these funds are designated for Paradise Lodge members to help them get their lives back together. The Lodge itself is fully insured and will make sure that the contributions to this fund go to the members in need. Also, we voted to send \$500 from our Veterans Fund Account to Quincy Lodge to help a member/veteran of their Lodge and his family who lost everything in Paradise Fire. This was obviously a real need, but since he was a member in Quincy and not Paradise, he most likely would not be the beneficiary of funds we sent to Paradise.

Closer to home, on December 13th I loaded my pickup with all the toys that our members donated to the children in our community and delivered them to the Salvation Army. I do mean loaded - the pickup bed was full, the back seat was full, and the front passenger seat was full. It was all I could do to make it in one trip. The Salvation Army had informed me that they had a list of approximately 200 local families that would be receiving these toys.

Thank you to all our members for your wonderful generosity in supporting these causes. It is through efforts like this that I am, and I hope you are truly proud to be an Auburn Elk.

On the lighter side, I heard many compliments regarding the Auburn Elks entry in the Parade of Lights this year. Please join me in thanking Wayne Helley for the job that he and his wife, Sophia, along with other Elks volunteers did in decorating our float. Thanks to Wayne, Sophia, Jackie Conci, and Colleen Cascarelli for walking with the float and making sure that no children were injured in an attempt to reach Santa. Also, thanks to Gary Beckes for driving his truck and pulling the float. Because Santa rides on our float, it is always the last one in the parade. Linda and I got a big kick out of driving our Tbird with an Elks banner in the position just before the Elks float.

We had the ER Christmas Party at the Lodge just before the Parade, and Harlan Moore was kind enough to open the Lodge and bar after the parade for those that came back for a little warm up. While all this was going on Manny Martinez, Chuck Cooper, Linda Talso, and Bill Schlichting worked the parking lot and raised over \$450 for the Purple Pig by parking cars in spaces not used by the Elks that night. Thank you.

One last note is that starting with our January 13th Sunday Brunch we will try opening to the public for this event. Price for Elks members will remain at \$12, but we will charge non-members \$15 - still a great deal. So, if you know anyone looking for a good Sunday Breakfast tell them about Auburn Elks.

Wishing you a Happy, Healthy, and Prosperous New Year! \

EXPERIENCE THE ARBONNE DIFFERENCE

From the Station of the Leading Knight – Harlan Moore

Happy New Year! Considering Holiday Schedules, you are likely reading this after the Holidays are over and 2019 is ahead of us. The new calendar year marks the last quarter of the 2018-19 Lodge year. Opportunities are available to all that are willing to contribute to the fraternal and financial success of our Lodge for the 2019-20 Lodge year. As of this writing, we have several opportunities for Lodge officers, committee, and event chairs. Of critical importance our Treasurer has expressed in writing his desire to retire. If you have Quick Books skills (or are willing to learn), and have a significant amount of available time, please contact Jack or me for the Treasurer or other positions. Please remember your Purple Pig. Fill it, bring to the Lodge, exchange for an empty brand-new model which by the way and like the Springsteen song is Born in the USA, repeat as many times as

possible for this Lodge year. Another means to contribute is via the CHEA website <https://chea-elks.org/> look for the Purple Pig logo on the left-hand side, click donation, with a debit/credit card your name, Lodge & membership number, the easy way. Again, thanks for all you have done and all you will do. Please remember OUR State Major Project and YOUR Piggy Banks represent the best of the work we do as ELKS for others, and please remember our kids help them Walk, Talk, See and Play!

Wreaths Across America Success – Larry LaVerne

Once again, our Elks members supported the Wreaths Across America program Honoring and Remembering those veterans who are interned at our New and Old Auburn Cemeteries. December 15, 2018 was our 4th year sponsoring wreaths to be laid onto Veterans grave sites. Our Lodge members purchased 215 wreaths at \$15 per wreath with \$5 of that \$15 returned to Elks Lodge 1691 Veterans fund. This year that amounted to \$1120. Be a part of the December 2019 WAA ceremony and contact Paula Celick (530) 885-1428 to sponsor a beautiful balsam wreath.

Exalted Ruler Jack Meylink Accepts WAA Certificate from Paula Celick

VOLUNTEER OPPORTUNITIES AT THE LODGE

There are always opportunities for those that want to volunteer at the Lodge.

If you are interested in serving on a taco team as taco assembler or server, please contact Bob DiMiceli, our Lodge Manager, and he will let you know which team has the greatest need for additional help.

- I need greeters for January, February, and March. Would prefer that one person take responsibility for a whole month and if you are unable to greet at each of the events in that month you would be responsible for finding someone to greet in your place. If you would like to greet but can't take on a whole month, then let me know when you are available, and we will make that work.

- We have hired a band for our St Patrick's day party on March 16th. I need someone to coordinate the event including forming a decorating committee, ticket sales, creating a flyer for the bulletin and posting at the Lodge. Let me know if you are interested.

- February 28th is Piggy Bank Night at the Lodge. This is the night when all the Purple Piggies come in for roundup and their owners receive a free dinner ticket. The following morning, Friday, March 1st, Harlan could use some help counting the contents of those piggies. Please contact Harlan if you can spare an hour or two for this task.

Thank you, Jack

From the Secretary

I hope all of you had a great Christmas. We are still getting donations to help people that lost everything in the Camp Fire.

A little Elk history: Thousands of Members gathered in New York, NY Lodge No.1 on February 12, 1928, to witness the most talented baseball player Babe Ruth's initiation ceremony into the Elks. "I'm glad I went through," Ruth said that evening, "and I think I met a lot of fine fellows."

Notable Elks over the years include entertainers Lawrence Welk, Will Rogers, and Jack Benny, and five U.S. Presidents (Warren Harding, Franklin Roosevelt, Harry Truman, John F. Kennedy, and Gerald Ford). Current celebrity Members include actor/director Clint Eastwood and two-time Super Bowl MVP quarterback Eli Manning.

If you have moved or changed your phone number or email address, please let me know so I can update your records. If you have a change of address or need to order a name badge, we have order forms in the office or at the bar. Stress is a killer! Yes, it has been proven that stress can cause you lots of grief. They say that everyday driving is one of our biggest and most pervasive stressors. Here's what I do to lessen my driving stress. I pretend that every driver out there is my mother. Yes, I love my mother although she is now deceased. So, when someone cuts me off, instead of shouting curses and giving bad hand signals, you know the one, I say to myself, "ok mom, there ya' go again. But it's ok, and I still love you." I relax and sit back and enjoy the drive. Try it. This might be just the thing to help you get thru the day with less stress.

New Year's Traditions From Cultures Around The World

Spain

In [Spain](#), it is customary to eat 12 grapes – one at each stroke of the clock at midnight on New Year's Eve. Each grape represents good luck for one month of the coming year. In bigger cities like Madrid and Barcelona, people gather in main squares to eat their grapes together and pass around bottles of cava.

Colombia

In hopes of a travel-filled new year, residents of [Colombia](#) carry empty suitcases around the block. That's one New Year's tradition we can get behind!

Denmark

Residents of [Denmark](#) greet the New Year by throwing old plates and glasses against the doors of family and friends to banish bad spirits. They also stand on chairs and jump off of them together at midnight to "leap" into January in hopes of good luck.

Scotland

During [Scotland's](#) New Year's Eve celebration of Hogmanay, "first-footing" is practiced across the country. The first person who crosses a threshold of a home in the New Year should carry a gift for luck. Scots also hold bonfire ceremonies where people parade while swinging giant fireballs on poles, supposedly symbols of the sun, to purify the coming year.

Philippines

You'll find round shapes all over the [Philippines](#) on New Year's Eve as representatives of coins to symbolize prosperity in the coming year. Many families display piles of fruit on their dining tables and some eat exactly 12 round fruits (grapes being the most common) at midnight. Many also wear polka dots for luck.

Veterans Corner

January is the beginning of a new calendar year but is the last quarter of the Elk year. The activities designed for our Veterans are winding down until this coming spring. I trust that your Christmas and New Year's celebrations were all that you envisioned.

George H.W. Bush, former 41st President of the United States, passed away November 30, 2018. He was a decorated U.S. Navy pilot in WWII and then went on to a long and distinguished career serving this country. He will be missed. In December there was a horrific fire in Butte County that devastated countless families, many of whom were Elks. The Paradise Elks Lodge was destroyed. Fortunately, they had good insurance and will be able to rebuild. Part of the over \$4,000 sent to the Paradise Lodge was intended for a former military Veteran who is currently a member of the Quincy Lodge while residing in Paradise. This man lost everything but has been given some relief and aid from the Elks out of Quincy. \$500 from our Veterans fund was sent specifically to help this Marine re-establish himself and his family. To those of you who made cash donations, know that the money will be used to help Elks and their families who were harmed in this fire.

Remember our military serving in harm's way in the Middle East. Please keep them in your prayers and may they all have a safe return to their homes here where all of them have family and friends. God Bless America.

CHAPLAIN'S CORNER

Chaplain's Corner – Bill Costa

Saint Paul tells us that "At the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; and every tongue should confess that Jesus Christ is Lord." From the earliest days of Christianity, Christians have known the great power of Jesus' Holy Name.

As the once-popular hymn commanded:
All hail the power of Jesus' Name!... Let angels prostrate fall;
Bring forth the royal diadem...And crown Him Lord of all.

Small wonder, then, that the Church sets aside the first month of the year in honor of the Holy Name of Jesus. Through this devotion, the Church reminds us of the power of Christ's Name and encourages us to pray in His Name. In our society, of course, we hear His Name uttered quite often, but all too frequently, it is used in a curse or blasphemy. In the past, Christians would often make the Sign of the Cross when they heard Christ's Name uttered in such a manner, and that's a practice that would be worthwhile to revive.

Another good practice that we could take to heart during this Month of the Holy Name of Jesus is the recitation of the Jesus Prayer. This prayer is as popular among Eastern Christians, both Catholic and Orthodox, as the rosary is among Roman Catholics, but it's not well known in the West.

This month, why not take a few minutes to memorize the Jesus Prayer, and pray it during those moments of the day when you are between activities, or traveling, or simply taking a rest? Keeping Christ's Name always on our lips is a good way to ensure that we draw ever nearer to Him.

HELP FEED THE HUNGRY IN OUR COMMUNITY!

Being active in our community and being aware of its needs are imperative for an Auburn Elk according to ER Jack Meylink. With that in mind, we face the challenge of helping feed the hungry right here in Auburn.

The project of creating and selling a cookbook containing delicious and easily prepared recipes that will be sold at a very nominal price is in the works as we speak.

We ask you to help in this project by providing us with your, (or your Great Aunt Gerties,) favorite special recipes that you love to serve to your guests.

We have an editor, a publisher, and a printer here in Auburn who will produce the Elks1691 cookbook where the profits will help support the Interfaith Food Closet. The Interfaith Food Closet is supported by 18 local churches and Synagogue in our own community along with several grocery stores, bakeries, coffee houses, local businesses, and private contributions.
