### Exalted Ruler – Sharon Bettencourt

Greetings from your Exalted Ruler,

Well, fall is upon us, and the weather is changing a little. I would like to take this opportunity to thank everyone who has pitched in at the Lodge since I have been sick. The Trustees and House Committee and all the members. This has not been easy for me to sit at home and not be there to help. But that being said, I am on the mend, and hopefully, the antibiotics will do their thing.

Now back to the Lodge business, check the calendar, and attend the events that make our Lodge work better. We still need volunteers to help with all events. We have got to get this Lodge back into the mode of having events, making money, and putting our Lodge Home back into the way it used to be, but we cannot do this without the memberships' help. The Lodge is running on the membership as managers, and we all need to work together.

We are on a timeline, and this needs to be accomplished in the next thirty days. So please come and volunteer to help. We, the Officers, cannot do this alone. We need all of your help. The Lodge has to run according to Grand Lodge, and this is not something we can avoid or change, so come in and ask what you can do to help our Lodge Home.

If you have any questions or comments, please give me a call, or talk to me about it at the Lodge. Fraternally,

Sharon Bettencourt PDDGER  
Exalted Ruler

## Veterans Corner

October is a beautiful month with the fall colors coming in. Enjoy their beauty for as they pass, so do some of us. Visit with a buddy and cherish all those friendships. On another note, don't forget Halloween is Sunday, October 31.

Some military history that took place in October. October 7, 2001, Operation Enduring Freedom begins in Afghanistan. Some of you may remember the recent movie, The Battle of Heartbreak Ridge, it began on October 10, 1951. October 13 is the birthday of the U.S. Navy. October 25, 1983, U.S. forces invaded Grenada (Operation Urgent Fury).

Remember our Veterans luncheon on Monday, November 8, 2021. Cocktails at 11am, and lunch begins at 12 noon. The menu has yet to be determined. The hot lunch is always free to all Veterans and only \$15 for all others. Table sponsorship is still \$20 per table. This is a way to help offset the cost of this event. Now, the easy part. Ya'll know lots of people in the community. Many of them are Veterans. Invite them (and their partner) to this luncheon. All are welcome. If you have attended in the past, then you know how much enjoyment you have had. It is a time of reflection and recollection of your experiences with your peers. We do not ask for proof of military service. This event did not occur last year due to the Corona Virus and our society's nearly complete shutdown. Let's come back with a big bang this year.

On Veterans (November 11, 2021) Day, a parade in uptown Auburn will begin at 11 am. This is a big and colorful parade celebrating our military heroes. This year the parade will honor the "Military Honor Guards." So come out, enjoy the parade, and stop by the Gold Country fairgrounds for a free lunch afterward served by our very own Elks Lodge members.

There are still many military personnel serving in the Middle East in harm's way. Until they are all safely back home, please keep them in your prayers. As for the rest of us, stay healthy, happy, and don't forget to put on that smile first thing in the morning. Don't be caught without it. God Bless America.

### VETERAN'S LUNCHEON

The Veteran's Luncheon, Monday, November 8, 2021, is a Lodge event designed to celebrate our military veterans, thanking them for their service to our country. This affair is expensive to put on as it is free to our Veterans. I am looking for members who would be willing to donate and sponsor a table. Table sponsorships are only \$20 per table. Table sponsorship is separate from the cost of the luncheon should you attend. Lunch is \$15 per person. You can leave an envelope with your name and the twenty dollars at the bar, or see me, Rudy Pelzman, at the Lodge. Please put my name on the front of the envelope. The bartenders will see to it that I receive your envelope. Thank you very much for your participation in this very worthwhile event.

Thanx,  
Rudy Pelzman

## Purple Pig

The Purple Pig is the fundraising arm of the California-Hawaii Elks Association Major Project, Inc. (CHEMPI).

The California-Hawaii Elks have raised over \$116.2 MILLION since 1950 to address the [unmet needs of children](#) with disabilities by developing a program of supporting services to aid these children at no cost to their families.

Would you like to contribute to the Major Project more often? What if you could donate without writing a check, buying a stamp, and addressing an envelope each time? You can make it simple by signing up to be a recurring donor! We can automatically charge a credit card on a recurring basis for a set donation amount of \$5 or more. There are no checks to write or envelopes to mail. It's safe, reliable, and allows us to spend less time on administration and more time on our charitable mission. A receipt will be emailed to you after every transaction for your records. Recurring donors are very important and special donors who will be recognized in each issue of the magazine.

On another note, as the chairman of the House Committee, in cooperation with Trustees, we are working countless hours to bring our dining room back to be the way it used to be. Most of the regular events are being scheduled for the upcoming months. So, keep reading this bulletin and come down to the Lodge and get reacquainted with all the members. Volunteering for some of the events is a good way to meet members.

As Vice President of the Building Hall, we are working hard to keep up with the maintenance of our rentals as well as the Lodge. Our Parking lot is under repair and has started with the repair of the surface. It will soon be resealed and striped, hopefully, before the rainy season gets here. Parking has been a problem as cars have been getting hit and the responsible persons are not leaving the necessary information. For example, my car was hit, and the damages totaled well over \$1000.00. This is not the correct way to be responsible. The CVC says the responsible person is required to leave contact information as well as the CA driver's license number.

Respectfully Submitted

## From the Secretary – Harlan Moore

Our Lodge year is more than half over, and we still have members delinquent for the current Lodge year. The outstanding number is slightly over 10%. It would benefit the Lodge, our order, and our members to be current by the calendar year-end.

A continuing issue that is a priority to correct and improve upon is the change of address, phone, and emergency contact information. Most importantly is emergency information for our singles. Please call, email, or send a note to me regarding your emergency contact information: children, siblings, extended family, and neighbors. It will help us help you when necessary.

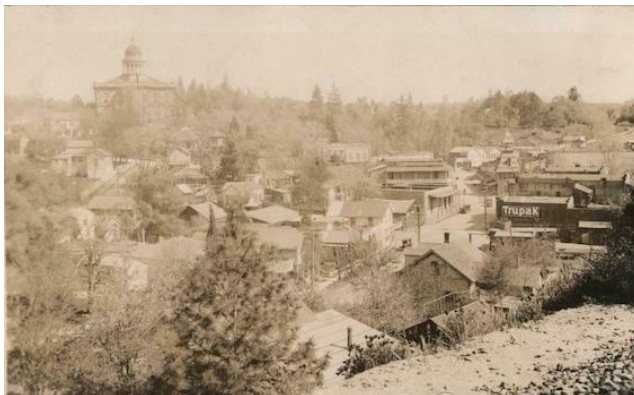

We still have beautiful 75th Anniversary Coins available for just \$10.00. I will have some with me every time I'm at the Lodge. Some will be available at the bar as well. Coin sales assist with continuing expenses, and you will have a memorable keepsake from our Jubilee celebration year.

Don't hesitate to contact me directly at **530-906-4765**, lodge secretary phone direct at **530-885-4823**, email [Harlan@hemoore.com](mailto:Harlan@hemoore.com), or a brief note to the lodge mail address 195 Pine Street, Auburn, CA 95603.

I would like to hear from you and assist with any member questions regarding membership cards, dues, entry door cards, or name badges.

I AM LOOKING FORWARD TO SEEING YOU AT THE LODGE.

Fraternally,  
Harlan
